

RAMP OF LOVE

Jim Commentucci/The Post-Standard

JUDY AGUIRRE and her 8-year-old son, **Diego Aguirre**, sit for a photo after the unveiling Wednesday of a volunteer-built wheelchair ramp for her at the Aguirres' home in Warners. McClurg Remodeling and Construction Services, of Marcellus, led the communitywide effort by building the deck off the Aguirres' home on North Brickyard Road. Aguirre, 44, fell down her basement stairs on Sept. 26, suffering an incomplete spinal cord injury. The project began May 19. Donations were provided by 13 local businesses.
