McClurg Remodeling & Construction Services January 2012 Newsletter

Greetings!

Happy New Year!

We are looking forward to 2012 and the new projects that our customers have planned for their homes. We enjoy meeting with homeowners and helping them turn their ideas into reality.

We also have a tradition of giving back to the community. In our last newsletter we told you about the Johnson Family of Tully, New York. We're working with Syracuse firefighters and hope to renovate the Johnson home in early spring 2012. It's a BIG undertaking and there's a need for donations of money and supplies as well as a corps of volunteers. For information about how you can help, please visit the "**Johnson Family Home Project**" on [our Website](#) and on [Facebook](#) or call Scott McClurg at 673-4305 ext. 103.

We are also pleased to offer you a **special coupon good for 10% off (up to \$100 value)** on your next **home repair** project. See our coupon below and call us or [visit our Website](#) today to get your project started.

We wish you all the best for the New Year!

Project of the Month: Syracuse Bathroom Remodel

You'll definitely want to check out these BEFORE and AFTER photos of a complete bathroom remodel in a Syracuse city home built around 1952. The tile and fixtures were very common for that era. The homeowner, originally from New England, wanted a new look inspired by the beach and ocean.
